

Our group's Online Fundraising Campaign has just kicked off and your participation is the key to our success! Friends and family can purchase or renew their favorite magazine subscriptions at savings of up to 85% off newsstand prices, and the Humane Society gets 40% profit of all magazine subscriptions sold! All proceeds will go to the spay/neuter assistance fund!

We hope you will help support our organization by ordering or renewing your favorite magazine subscriptions online and sharing our site with your friends and relatives. With your help, we are sure to earn the funds we need this year! Our 2007 goal is to raise \$2,000 for our spay/neuter fund. We appreciate your support.

Our online fundraising store has over 650 of the most popular magazine titles at up to **85% off** newsstands prices. Purchase or renew your favorite magazine subscriptions and **40% of your purchase will go directly to our cause!**

Examples:

People Magazine: 22 issues are \$49. You save 33% off newsstand price and the Humane Society gets \$19.60!

# SPOTLIGHT ON:

#281 Lacey-Sponsored (Domestic Short Hair-black and white)

"Hi. My name is Lacey and I'm an outgoing little kitty that was brought here after hanging around on Alton Station Road for a couple of days. I'm a real talker. I just love to get attention, and I'll keep on until you notice me. I'm a really pretty girl and not very old, so won't you consider taking me home?" Thank you to Victoria Parker, who sponsored a portion of Lacey's adoption fee, in memory of her mother and also from John and Pam Marks. Now she can go home at a reduced rate!

#208 Baxter-Sponsored (Shepherd, Black Labrador Retriever Mix)

"Hi. My name is Baxter and I'm a spunky little pup. Well, actually, I'm a spunky BIG pup. I can't help that though. I got that from my momma and daddy. They musta been large breed dogs. I know everybody seems to want a little housedog, but surely there are also people out there who love us big dogs too. If you're one of them, please come out and adopt me." Thank you to Victoria Parker, who sponsored a portion of Baxter's adoption fee, in memory of her mother. Now he can go home at a reduced rate!

#270 Sabrina-Sponsored (Domestic Short Hair)

"Hi. My name is Sabrina, and I came to the shelter under some weird circumstances. A lady who helps run an auto repair shop found me after I crawled up under her hood to get warm. They say a lot of kitties do that in the wintertime, so always knock on your hood a couple of times before starting your car so you can make sure there's not a kitty asleep in there. Lucky for me, the lady wants to adopt me. So we'll see if she comes back for me once my stray hold is up." Thank you to Frankie Hoffeld, who sponsored a portion of Sabrina's adoption fee. Now she can go home at a reduced rate!

#229 Marley-Sponsored (Boxer Mix)

"Hi. My name is Marley and I'm a sweet girl who was picked up over hanging out over on Lakeview Drive for a couple of days. I'm two or three years old, but much smaller than a full-blooded boxer. I'm a little shy at first, but if you'll sit down with me, I'll crawl right up in your lap and snuggle. Please come and save me." Thank you to an anonymous donor, who sponsored a portion of Marley's adoption fee. Now she can go home at a reduced rate!

# SPOTLIGHT ON:

#225 Mia-Sponsored (Boxer Mix)

"Hi. My name is Mia, and Mack and I were brought to the shelter after a lady down on Main Street found us on her front porch in the early morning hours. We didn't live there, so I guess somebody dropped us. So we came here instead, and they're gonna find us homes where our owners will love us for the rest of our lives." Thank you to an anonymous donor, who sponsored a portion of Mia's adoption fee. Now she can go home at a reduced rate!

#271 Kali-Sponsored (Tabby)

"My name is Kali and I was brought to the shelter after somebody found me dumped at a house that was being built. Somebody snuck me in there in a pet taxi and left me to be found the next day. How mean! I'm the sweetest little girl and I love to cuddle and purr, and rub on people. Please come see me." Thank you to Gail Covington, who sponsored a portion of Kali's adoption fee. Now she can go home at a reduced rate!

#230 Austin (Yellow Labrador Retriever)

"Hello. My name is Austin, and I'm a sweet sweet boy who came to the shelter just a couple of days ago, from over on David Street. I look to be full-blooded so hopefully if I don't get adopted, somebody else out there will love me and take me home with them. If you're interested, you can go ahead and fill out an application just in case."

#241 Lisa-Sponsored (Domestic Short Hair-black and white)

"My name is Lisa and I'm one of three kitties who came here after our owner decided they couldn't keep us anymore. Well, actually, she never really intended to keep us. Her kitty wasn't fixed and so she had us and she tried to find homes for us, but nobody wanted us. I don't know why anybody wouldn't want an adorable little kitty though!" Thank you to Ronnie Dennis and Larry Brown, who sponsored a portion of Lisa's adoption fee. Now she can go home at a reduced rate!

We'd like to take this opportunity to thank you for your support in our fundraising efforts over the last few years. It is because of generous donors such as yourself that the Humane Society has been able to accomplish so much in these past several months.

We have a new adoption center that will be opening soon, near the current shelter building, and have had enough donations to our spay/neuter assistance program that we have been able to provide funding to have over 418 pets in our local community altered.

Once again, we are reaching out to you, in hopes that you can help us reach our 2007 goal of raising \$2,000 so that we can further our efforts to spay or neuter even more pets in Anderson County. We hope that you can find it in your heart...and your budget...to make a small donation to help us reach our goal. No amount is too small, and will make a tremendous difference in the future of homeless pets in our community.

We are forming a grant committee to work together on writing grants for the Humane Society. These will consist mostly of spay/neuter grants, but we could also apply for equipment grants and construction grants at some point in the future. Anyone who would like to be a part of this committee, please contact me (Sandy Kiser) by e-mail at [swarner@iglou.com](mailto:swarner@iglou.com) or by phone at 502-545-2109.
